Statement from the Chair

HELLO ITS ME CLARA!! Take a minute to think of all the things that have brought you to where you stand right now reading this. The joy, the laughter, the tears, the alcoholic misery, the hope, a million AA meetings or maybe just a few.

Wherever you are in your journey, my friends and fellow host members are so grateful for our part in it. **UCYPAA** has been a powerful tool for bringing young people in AA together for recovery, unity, service for years. We are so stoked you're joining us and I cant wait for you to experience the magic of **Camp Kiesel**.

Whether you're a **YPAA** veteran or brand new to the scene, here's some tips:

If you're feeling socially anxious come find a host member and we'll find you some service. Just trust us.

When someone asks you how you are, be **100%** honest.

If you enjoyed your time at **UCYPAA**, take a position on the committee to share your joy with someone who needs it next year.

Stay late at the fire, talk to people you don't know, meditate by the creek, and **PLEASE** god do not kill me on the first night.

Matching Calamity with serenity

"Perhaps there is a better way - we think so. For we are now on a different basis; the basis of trusting and relying upon God. We trust infinite God rather than our finite selves. We are in the world to play the role He assigns. Just to the extent that we do as we think He would have us, and humbly rely on Him, does He enable us to match calamity with serenity."

-P. 68, Big Book of Alcoholics Anonymous

Safety Statement

The **UCYPAA** Host Committee would like to remind you that in order to have an excellent time this weekend, we must first be safe. We are all responsible for creating a culture of respect and safety. If at any point you feel unsafe—whether physically, emotionally, sexually, or spiritually—please reach out to a host committee member. We are here to listen and promise to handle any situation with compassion, respect, and discretion. We are all in this together so let's practice these principles in all our affairs.
